Thome Quality Services Receives 2013 Best of Stanwood Award

Stanwood Award Program Honors the Achievement

STANWOOD October 21, 2013 -- Thome Quality Services has been selected for the 2013 Best of Stanwood Award in the Professional Services category by the Stanwood Award Program.

Each year, the Stanwood Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Stanwood area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2013 Stanwood Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Stanwood Award Program and data provided by third parties.
